

## Adaptive Swim Program 2021 Volunteer Application (Deadline September 17)

FUSE is seeking both adult and student volunteers to work with children with disabilities in our adaptive swim program held at Hancock Wellness Center in Greenfield. The adaptive swim program is geared toward non-swimmers and beginning swimmers who need to continue to build swimming skills to become independent in the water. Each swimmer is assisted in the water by a one-on-one volunteer.

We are looking for volunteers who would like to work with children ages 5 and older in the water. Volunteers must be ages 15 or older. Both adult and student volunteers are essential to the success of the program, so both are encouraged to apply! No previous experience is required. Volunteers must have basic swimming skills and be willing to work with children of various types of disabilities under the direction of the adaptive swim program consultants.

The swim program will begin with a new volunteer orientation on Friday, September 24, from 6:15 to 7:15 p.m. at Hancock Wellness Center (888 W. New Road, Greenfield). The first swim session for swimmers is Friday, October 1. The program runs weekly through November 19. We ask that if you volunteer, that you can commit to at least 5 of the 8 Fridays listed below, plus the new volunteer orientation session prior to the first session (for new volunteers only). If you cannot commit to five sessions, you can participate as a substitute on weeks where we have a need. Contact us for more information.
